Certification No.: **PMCO.0059327**
Issue Date: **09/24/2024**
Expiration Date: **01/31/2029**

Dear JULIETTE TARA DOYLE

Congratulations on passing the Pesticide Junior Operator Exam. The attached certification credential indicates that you have successfully completed the requirements necessary to be granted the certification.

Responsibilities included with the certification:

- Comply with requirements of Connecticut General Statutes and Regulations of Connecticut State Agencies including Chapter 441, governing the use of pesticides and, for arborists, Chapter 451, governing arboriculture.
- A Junior Operator can only apply pesticides under the direction of a Pesticide Supervisor. A Pesticide Supervisor shall either be present at the time of pesticide application or provide you with specific written instructions.
- Keep your contact information updated in eLicense to assure that you receive important communications.
- Renew your certification within ninety (90) days prior to your expiration date. Failure to renew your certification within the required timeframe could result in loss of certification and need to re-test.

Additional guidance can be found on [DEEP's Pesticide Management Program](#) webpages.

You may also contact the Pesticide Management Program by email at DEEP.PesticideProgram@ct.gov with any questions that you may have.

Sincerely,

Certification Coordinator
